- 238320, 238330, 238350, 238390

Amcore Portfolio

- Water/Waste Water Treatment Facilities
- Municipal Utilities
- Fish Hatcheries
- Dams
- Storm Water Management Systems
- Industrial Site Retrofit and Upgrade

8(a) CERTIFICATION 307609

Design/Build

Amcore Construction performs retrofit design build construction on industrial facilities. We specialize in piping, pumps, valves and control system modifications and upgrades. We self-perform a large portion of this work with crews that are experienced. Our supervisors are problem solvers with an intent focus on managing all aspects of a project to provide above-expectation results.
